

Bible Study Methods Additional Material

*Check out these important notes and other helpful ideas **AFTER** you watch the training video:*

1. How to access the Bible Study Methods on voxchurch.org
Go to: Get Involved > Groups > Leader Resources
2. All of the blank worksheets are downloadable and fillable, in case printing them isn't an option for people.
3. How to access the suggested Chapters, Passages, and Verses each week.
Go to: Sermons>Sermon Questions>View Questions>then click on the date and you'll see the suggested chapters, passages, and verses.
4. Helpful Online Study Resources to assist in observation, interpretation, and application.
 - a. blueletterbible.org
 - b. biblestudytools.com
 - c. gotquestions.org
 - d. logos.com
 - e. enduringword.org
 - f. bibleproject.com
5. Suggested – CG Leader does a method 2 times as a big group together to get them comfortable with the methods, then challenge them to do it at home first before they come to the group gathering.
6. Suggest Order of Bible Translations: ESV / NIV / NLT / MSG
 - Idea: print out the different versions so everyone can have them.
7. At the beginning of trying out these methods, limit your group members to the suggested verses. Cross-referencing other passages of scripture is ok, but it might be intimidating to others at first.
8. Try all 3 methods throughout the series.
