

# SERVE TOGETHER

## DIY PROJECT: The Giving Jar Project

**Non-Profit:** Community Dining Room

**Website:** <https://www.communitydiningroom.org/>

**Address:** 30 Harrison Avenue, Branford, CT

## THE MISSION

Community Dining Room (CDR) is a private, not-for-profit organization providing food, support, and companionship to our shoreline neighbors. CDR is committed to providing meals to the community and supporting basic human need. Their vision is to see a well-nourished community. By supporting Community Dining Room, you are helping to feed and support people across the Shoreline that are in need.

## THE PROJECT

**STEP 1:** As a group, read through the mission of Community Dining Room and spend time praying for the work that they do to meet basic needs for those in need within our community.

**STEP 2:** Purchase a jar to collect spare change.

**STEP 3:** Ask your group members to bring their spare change to group and see how much you can fill up the jar.

**STEP 4:** Write thank you cards to the Community Dining Room staff members for the work that they do in our community!

**Step 5:** Once you have filled the jar and written your thank you cards, call Community Dining Room at 203-415-7299 and coordinate a drop-off to bless them and their efforts.

FOR THE GLORY  
OF GOD and the  
TRANSFORMATION  
OF THE CITY
